WOMEN'S FOREIGN POLICY GROUP

2014-2015

Women's Foreign Policy Group's *Guide to Women Leaders in International Affairs* is published to highlight the voices of women around the world and the role that they play as leaders, diplomats, and policymakers. The *Guide* provides an index of prominent women from across the international community including: heads of state and government, government ministers, leaders of international organizations and corporations, American officials and diplomats, and women representatives to the US and the UN.
